Festival of Trees Sharing the Magic

The Festival of Trees announces an exciting new opportunity for our many friends and supporters. “The Friends of the Festival” has been formed as an arm of the Festival of Trees. Membership in the “friends” is open to any person who wants to become more involved in this annual magical event.

Entering our 17th year, we are celebrating the thousands of volunteers who have helped to make our Festival possible every year. Membership in our new organization is the best way to enjoy and support the beauty of the Festival. By joining, you are making a positive contribution to the important historic preservation work of the Festival of Trees.

The privileges of becoming a member of the Friends of the Festival include an invitation to a members-only Christmas decorating

night during the Festival. A top designer will share tips for creating beautiful pieces for your home. As a member, you will also receive email updates to keep you informed about the happenings of the Festival and the important work we do. While at the Festival of Trees, you may want to browse at our unique gift shop or have lunch or dinner in our Festival Café. Both areas offer a 10% discount to our membership. Business members also receive a discount on their ad in the Festival program book.

As a member, you will receive periodic invitations to Festival events and you will also receive a collectable members-only lapel pin which designates you as a very special Festival of Trees supporter. Join this exciting and worthwhile effort today by becoming a “friend” of this wonderful regional event. Your support will continue the work of the Festival and make an important contribution to historic preservation throughout the Merrimack Valley.

The Benefits of a *Friends of the Festival* Membership

A membership role in the Festival of Trees offers benefits unlike any other organization.

- A 10% discount at the Festival Gift Shop & Café
- An exclusive event for members only
- Notices via email on exciting Festival news
- Your name prominently featured in our yearly program book. For businesses, that is direct exposure to more than 25,000 people who visit us annually
- A 10% discount on program book advertising
- **Early** notice to purchase tickets to Special Events held at the Festival (*Our Taste of the Festival Event was an immediate sell-out last year*)

A History of Success

Since it began, the Festival of Trees is proud of these important milestones:

- Our Festival is able to assemble, on a yearly basis, 600 volunteers to work the two weeks we are open.
- The participation of hundreds of organizations, businesses, and individuals throughout the Merrimack Valley.
- The more than 200 varied and beautifully fully-decorated Christmas trees every year.
- Most importantly: As we approach our 17th year, the Festival of Trees, has funded over **one million dollars** in historic preservation throughout the Merrimack Valley—Methuen, Salem, NH, Andover, North Andover and Haverhill have all benefited.
